### Opening of a fitness and wellness center in Sicily

Virgin Active Italy came to Sicily with the opening of a first fitness and wellness center in the city of Catania. A center for the entire family, close to the sea, where you can discover the new pleasures of fitness and well-being.

### Contribution Henco

For this project the pipes and fittings of the Super Size range, diameter 75, have been used.

### Partner Henco

Wholesaler Cappellotto provided the products of the Super Size range during the entire building activities.
